**EDDC SEEKS AN EXPERIENCE DIRECTOR
TO WORK WITH RESIDENTIAL AND COMMERCIAL TENANTS**

ERIE, PA, November 9, 2020:

The Erie Downtown Development Corporation (“EDDC”) is looking to hire a dynamic individual for the newly created role of Experience Director.

The Experience Director will be the main liaison between the EDDC and its residential and commercial tenants. Its day-to-day responsibilities will involve managing the properties, as well as the relationship with residential and commercial tenants. The Experience Director will also be expected to work with the EDDC staff, downtown partners, residents, and businesses to cultivate experiences for tenants and downtown visitors. Applicants should be interested in helping to build-up and strengthen the downtown community.

Resumes and cover letters should be emailed to EDDC CEO, John Persinger, by November 30, 2020.

The EDDC anticipates the Experience Director starting in Q1 2021 in order to prepare for the opening of residential and commercial spaces in Q2 2021.

For more information on the role, view the Position Description, which is linked on the EDDC’s website: www.erieddc.org
